TERMITE CONTROL GUARANTEE

1. United Exterminating Company hereby certifies and guarantees to the FHA and/or VA and the builder of the above designated structure and his successors or assigns that the chemicals used, their concentration, and the rate and method of application comply in every respect with the standards as prescribed by the Federal Housing Administration. United Exterminating Company guarantees the effectiveness of the soil treatment against infestation for a period of not less than _____ from the date of treatment. Any infestation within the guarantee period will receive retreatment, without cost to the owner or builder, in accordance with FHA standards. If, during the term of this guarantee, additions or alterations are made to the structure which can be determined to have created new termite hazards or interfere with the protective barriers, this guarantee will become ineffective.
2. This guarantee is transferrable on direct application to United Exterminating Group, provided that such application is tendered within 90 days of settlement.
3. Renewal of this guarantee is subject to these terms and conditions and to the prevailing renewal policy rates at time of renewal.
4. Failure to adhere to all terms and conditions subjects you to possible cancellation of this guarantee. Protect your investment by maintaining this policy in force. Any interruption can endanger the eligibility of renewal.
